KARKLOOF CANOPY TOUR

WHAT WE ARE ALL ABOUT?

A Canopy Tour takes you on an unforgettable adventure as you slide from one platform to the next along a series of steel cables set amongst magnificent natural surroundings. It is widely regarded as one of the best eco-adventure activities in the world and is something for people of all ages with the youngest being 3 and the oldest 90 so far to do the tour. The concept of Canopy Tour originated in the rain forests of Costa Rica, where scientists were studying animals and birds in the Canopy Layer of the Forest. Safely sliding from tree to tree to a series of platforms became a novel way to see the flora and fauna of an indigenous forest.

A whole new level of appreciation was born when the concept became one of South Africa's most popular eco adventure activities. This is a must do activity especially for nature lovers or adventure seekers looking to do something truly unique. Professional guides assure the safety of each group and point out interesting facts along the way. It's ideal for teambuilding, kids parties, family get-togethers, corporate events or just a fun day out. Open every day, with tours every half an hour from 8am to 3pm. Come experience one of South Africa's fastest growing eco-adventures with thousands of satisfied thrill-seekers having already caught the bug.

AMBLERS HIKING CLUB OF DURBAN

WHAT WE ARE ALL ABOUT?

Amblers Hiking Club of Durban was formed just over 10 years ago and has hiked 18 thousand hikers to date mostly around the exquisite hiking trails of Durban. Every Sunday afternoon at 2pm we will hike to one of the 50 hiking local destinations. The hikes are usually 7km long and last for about three hours.

At least once each quarter we travel to an exotic destination like the Midlands, Drakensburg or to hike in a Game Reserve amongst the wild animals including the big five. We have also hiked most of the length of the Wild Coast both in Hotel Hopping and tenting and hope to visit this area again. We have climbed Kilimanjaro and will be happy to train hikers for this experience on our specialised mountain circuit in Durban and if necessary lead a party on this expedition.

Some fitness is required for you to join us on a most interesting set of exotic hikes. Afterwards sometimes we will visit a pub for a social gathering. Membership fees are just R70.00 per family per year. Water, a snack as well good shoes – trail runners or boots are needed for the hikes. Feel Free to join us!
